

## Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Ingersoll Rand offers services, products and solutions so as to ensure efficiency and increase the productivity in commercial, residential and industrial surroundings. They pride themselves in providing products in order to enhance the safety, comfort, security and health of people all over the globe through their four international segments.

The Climate Solutions division delivers a world-class product line of energy efficient HVACR solutions for customers. Thermo King is the leader in transport temperature control, while Hussmann is a manufacturer of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building advanced controls, services and parts support for both commercial buildings and residential homes.

Ingersoll Rand's Industrial Technologies division offers products and solutions that enhance their customers' energy efficiency, productivity and operations. The product series is diverse ranging from pumps and tools, material and fluid handling systems to complete compressed air systems. They have even developed Club Car, the international leader in utility and golf vehicles for businesses and people.

Trade names like for instance Schlage and Trane provide residential solutions that offer safety, efficiency and comfort to home owners across North America. Their innovative products consist of mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

The division comprising Security Technologies offers products that ensure secure, safe and productive surroundings. This division's market leading products consist of door and floor closers, exit devices, portable security devices, biometric and electronic cabinet hardware, access control systems, steel locks, doors and frames, decorative hardware and locksets. Schlage likewise has products that provide attendance, personal and time scheduling systems.
